Re: United States vs. James Edward Reid  
Criminal Number 04-CR-10031-WGY

Dear Ms. Fried:

The Government has provided copies of various exhibits in connection with the depositions of Mssrs. Beaudoin and Lortie at Montreal on September 11, 2006.

As we discussed, I had an extra copy of the entire set of interviews by Testa Hurwitz, the SEC and FBI. As you requested, I have included those materials even though you received a full set of these materials under my letter dated January 6, 2006.

Very truly yours,

MICHAEL J. SULLIVAN  
United States Attorney
